NOVEL FILTRATION SYSTEM

DOCKET NO. 4847

VERIFIED STATEMENT CLAIMING SMALL ENTITY
STATUS - INDEPENDENT INVENTOR

As a below named inventor, I hereby declare that I qualify as a joint inventor as defined in 37 CFR 1.9(c) for purposes of paying reduced fees under section 41(a) and (b) of Title 35, United States Code, to the Patent and Trademark Office with regard to the invention entitled NOVEL FILTRATION SYSTEM described in the specification filed herewith.

I have not assigned, granted, conveyed or licensed and am under no obligation under contract or law to assign, grant, convey or license, any rights in the invention to any person who could not be classified as an independent inventor under 37 CFR 1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business concern under 37 CFR 1.9(d) or a nonprofit organization under 37 CFR 1.9(e).

I acknowledge the duty to file, in this application, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate. (37 CFR 1.28(b)).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application and any patent issuing thereon to which this verified statement is directed.

DECLARATION AND POWER OF ATTORNEY

Docket 4847

We, the below named inventors, hereby declare that:

Our residence, post office addresses and citizenships are as stated below next to our respective names.

We believe that we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled: NOVEL FILTRATION SYSTEM the specification of which is attached hereto.

We hereby state that we have reviewed and understand the contents of the above identified specification, including the claims.

We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, 1.56(a).

We do not know and do not believe the same was ever known or used in the United States of America before our invention thereof, or patented or described in any printed publication in any country before our invention thereof or more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by us or our legal representatives or assigns more than twelve months prior to this application.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

We, the below named inventors, hereby appoint RICHARD R. MYBECK (Reg. No. 17,886), and PETER B. SCULL (Reg. No. 37,932),

both of 8010 East Morgan Trail, Suite 10, Scottsdale, Arizona 85258 to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

Address all correspondence to RICHARD R. MYBECK, 8010 East Morgan Trail, Suite 10, Scottsdale, Arizona 85258-1234 and direct all telephone calls to RICHARD R. MYBECK at telephone No. 602/483-1285.
